Singapore GST App Manager

Faster Tax Submissions with Sage 300

Singapore GST App Manager is an add-on for Sage 300 that enables hassle-free, paperless filing of Singapore GST. Using accurate financial and transactional data from your ERP system, it boosts accuracy of tax submissions and is always compliant with local regulations.

➤ Never Have To Deal With...

Wasted hours spent on physical form filling and verification

Data entry errors due to manual preparation

Time-consuming manual preparation of IRAS Audit File in the event of an audit

➤ You Can Now...

- ✓ Auto-populate Form 5 with data from Sage 300 to cut down on time spent and errors from manual data entry
- ✓ Automatically generate IRAS Audit File for specified periods quickly and painlessly in the event of an audit

Singapore GST App Manager is only compatible with Sage 300 2012 to 2018 versions.
