

# IT Advisors to Growing Businesses

## AN OVERVIEW

CRM • ERP • Technology Consulting & Managed Services

# ABOUT STONE FOREST IT

Stone Forest IT (SFIT) specialises in providing advisory, implementation and support services for business applications (ERP and CRM), business analytical tools, IT infrastructure and IT security solutions. Backed by a team of certified professionals from specialised domains with insights into industry best practices, we are well-positioned to address your unique business needs and IT concerns.

As the IT services arm of the Stone Forest group, we leverage our accounting background and cross-border expertise to assist growing organisations as a one-stop business partner.
